Subject: CMS UB-04 Training Sessions

Dear Suzanne,

I just happened to run across this training.
It might provide some additional information to folks who have not had any access to any other training.
-Benton

Uniform Billing (UB)-04 - (July 2007)

The UB-04 version of the Centers for Medicare & Medicaid Services (CMS) Form 1450 (referred to as the UB-04 from this point forward) web-based training course was created by CMS. The course will be useful for health care administrators, medical coders, billing and claims processing personnel and other medical administrative staff who are responsible for submitting Medicare institutional claims for Medicare payment.

This course addresses hard copy and electronic billing requirements for Medicare institutional provider (i.e., hospitals, skilled nursing facilities, end stage renal disease providers, home health agencies, hospices, and outpatient rehabilitation clinics, etc).

The Centers for Medicare & Medicaid Services (CMS) has been reviewed and approved as an Authorized provider by the International Association for Continuing Education and Training (IACET), 8405 Greensboro Drive, Suite 800, McLean, VA 22102. CMS has awarded .2 of CEU's to participants who successfully complete this program.

The authors of this program have no conflicts of interest to disclose.

This web-based training course was developed without any commercial support.

Credit for this course expires 6/24/2010.

This course and its post test score of 70% or higher, is approved for 2 CEUs by the American Academy of Professional Coders. Index # CMS06140730A

When submitting a CMS completed web-based training course to AAPC as part of your recertification, please retain a copy of your CMS certificate and a copy of the course description that contains the AAPC index number and number of AAPC CEUs. The AAPC will request copies of these if you are selected for verification of the CEUs listed on your renewal form.
